Alumni Association Membership Drive 2004-2005

Greetings from the Shelton State Community College Alumni Association! As you know, Shelton State recently celebrated its 50th Anniversary, and took that opportunity to look back over our past, and make new and exciting plans for the future. As a friend of the College, we hope that you are just as excited about the next fifty years as we are!

Since its inception, the Shelton State Alumni Association has played a very important role in encouraging continued interest in and loyalty to the College. The Alumni Association's purpose includes:

- Using talents and energies of alumni to benefit Shelton State
- Promoting the continued growth and advancement of the members of the Association
- Supporting the administration, faculty, staff and students in their work to improve the college
- Assisting in the recruitment of students
- Implementing and funding an alumni scholarship program
- Recognizing outstanding alumni

If you have been a part of the Alumni Association in the past, you know the joy that comes from being a part of a College that continues to make a difference in the lives of countless students and their families in West Alabama. If you haven't, why not join now? You do not have to be a graduate of Shelton State to be a part of the Alumni Association. Some of our best and most loyal supporters are friends of the College, including local businesses.

A Word of Thanks

At this time, I would like to take the time to thank the Alumni Association for selecting me for the Louise Pruett Memorial Scholarship. With this award, I will be able to continue on here at Shelton State in the Respiratory Therapy Program.

By receiving this award, I can show my children what doors a college degree can open for them and how much easier their life can be with one. I want them to strive for a better future and by getting a higher education myself, I believe that it will encourage them to strive to go on to college also.

*Sincerely,
Laurie Bowden*

I would like to also thank the Alumni Association for choosing me to be a recipient of the Louise Pruett Memorial Scholarship and receiving a \$500 scholarship. I will try my very best to live up to the standards of the scholarships. When I received the letter telling me that I had been chosen as a recipient of the scholarship, my heart pounded; I felt so honored, happy and proud, and as if I could do anything.

I went into work and shared with everybody my letter of congratu-

lations for being chosen as a recipient of the 2004-2005 Shelton State Alumni Association Louise Pruett Memorial Scholarship, everyone said they were very proud of me that made me even prouder. I just could not stop smiling, feeling proud, and honored that I was chosen.

Finally, I hope by seeing someone my age receive a scholarship to continue their education, it will let people know it can be done at any age. One must set high goals and then try to reach them. People will feel proud of their accomplishments. Again, I would like to thank the Shelton State Alumni Association for awarding me the Louise Pruett Memorial Scholarship.

*Sincerely,
Joyce Kiker*

Long Time Shelton State Supporter Named Alumnus of the Year

The Shelton State Community College Alumni Association awarded its first Alumnus of the Year Award to Roland Pugh and announced that it would be named in his honor during Honors Day in May. The Roland H. Pugh Alumnus of the Year Award honors a distinguished alumnus of Shelton State Community College, who through their achievements and commitment, has made extraordinary contributions to Shelton State Community College and the Tuscaloosa/West Alabama Community.

Mr. Pugh, who graduated from Tuscaloosa County High School and furthered his education at Shelton State in 1963, has been a friend of the College for years. He founded and retired from Roland Pugh Construction, Inc. in Northport, Alabama, and is currently serving as Chairman of the Board.

Mr. Pugh serves as Chairman and Commissioner of the Alabama Commission on Higher Education. He is serving on the board for Tuscaloosa County Park and

Recreation Authority and was instrumental in establishing the Ol' Colony Golf Course. He serves on DCH Medical Center's Foundation Board and is actively involved with the City of Tuscaloosa's Riverfront Development project. He is also on the Board of Directors for the Center for Workforce Development of West Alabama.

When the Martin Campus was dedicated in 1998, the Technologies Division was named in

his honor. Mr. Pugh holds an Honorary Doctorate from the University of West Alabama and it was only fitting that Shelton State Community College present the very first Alumnus of the Year award to Mr. Roland Pugh and that it carry his name.

The Alumnus of the Year selection committee is now accepting nominations for the 2005 award. In evaluating nominees, the award selection committee will consider the nominee's career achievements and

accomplishments as well as his/her commitment and service to profession, community, and Shelton State Community College. Current members of the Shelton State Alumni Association Council are not eligible for the award.

Please contact Ronda Shirley in the Alumni Office at 205/391-2252 or via email at rshirley@shelton-state.edu to receive a copy of the application. All nomination applications are due by March 1, 2005.

Shelton Singers Celebrate 25 Years of Beautiful Music

How do you get to Carnegie Hall? Practice.

It's an old joke but it was certainly true for the Shelton Singers,

the first performing group organized at Shelton State Community College.

Officially turning 25 years old this season, the group was founded in 1979 under the direction of the Syble Coats and yes, the Shelton Singers have performed across the state and at Carnegie Hall - twice!

Under the direction of Glinda Blackshear, the Shelton Singers have scheduled a "family reunion" for December 4 at 9:00 AM

with past and present members of the group performing in concert at 2 PM in the Bean-Brown Theatre.

If you were a member of the Shelton Singers, you are invited to join us for a day of musical memories. If you are just a lover of good choral music, you certainly don't want to miss the 2 PM concert.

For additional information on the Shelton Singers reunion, please contact Glinda Blackshear at 205-391-2344 or gblackshear@shelton-state.edu.
